

PRODUCER / SONGWRITER / ENGINEER

David is a multi-instrumentalist, who plays the piano as his main instrument. Aside from being vocally trained in a choir, he is a music theory enthusiast and an analog synthesizers nerd. With the steady urge to explore new musical fields, David is a part of several [JUGGLERZ](#) productions, worked with [DJ KOZE](#), produced for [JAMES CHATBURN](#), played Drums for [KADHJA BONET](#) and works on score music. His solo project [SIMRO](#) shows his skill set coming out of just one hand - his own.
